# 1) Scope of this Pay Policy Statement 2023/2024

1.1) This Pay Policy statement is produced in accordance with Chapter 8 of the Localism Act 2011. It was approved by Witham Town Council (“the council”) on 14<sup>th</sup> May 2020 through the Staffing & Accommodation Sub-Committee. It is made available on the council’s website.

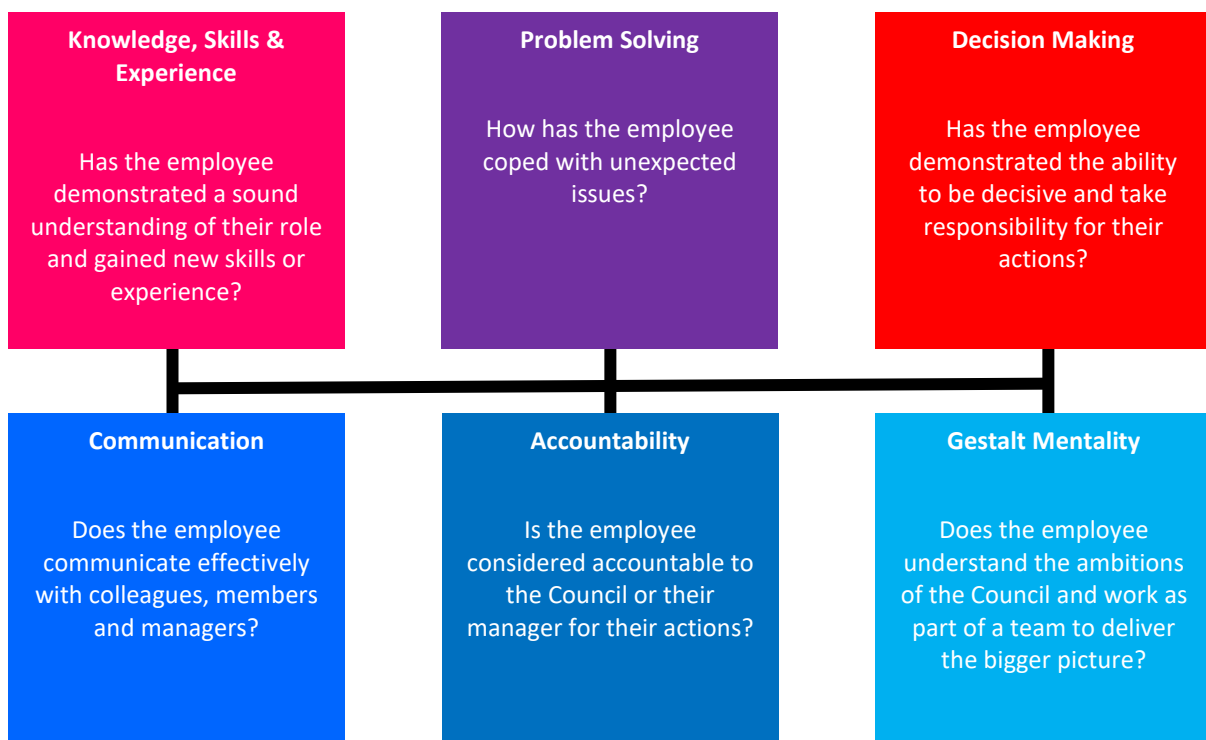

Although the council is not deemed a ‘relevant authority’ according to the Localism Act 2011, our commitment to the highest level of transparency and robust governance is reflected in publishing this Pay Policy Statement by going above and beyond the statutory expectations as set out in legislation.

Included in this Pay Policy Statement (“this statement”) are the council’s pay and reward policies that are designed: - to enable the council, as an employer, to retain competitiveness in the market place, and to maintain affordability of employment costs.

The council’s Staffing Committee determines the terms and conditions of employment for all staff within the scope of this statement, including the application of any discretion available under the Local Government Pension Scheme (“LGPS”). It will act as the “remuneration committee” for the purposes of the Localism Act 2011. The Town Clerk has delegated powers to implement actions that affect terms and conditions of employment that have first been agreed through the council’s Staffing Committee.

## 2) Pay Determination

2.1) The determination of pay is no longer conducted via the annual appraisal but by a 360 degree evaluation process, as recommended by Investors in People. The Town Clerk is responsible for submitting remuneration recommendations to the Staffing Committee. Proposals should be assessed against the Council’s Remuneration Award Matrix encompassing the following six key points:

## 2.2) Pay Bargaining & Negotiation

The Council pays due regard to the 'Green Book' as agreed via the National Joint Council (NJC) for local government services and is committed to awarding the agreed pay and conditions as set out in each agreement regardless of trade union membership.

## 2.3) Allowances

The council does not operate a car allowance scheme. Mileage incurred by employees performing duties on behalf of the Council is reimbursed via the mileage claim system and paid up to the HMRC limit.

The council does not operate a performance pay scheme outside the pay grading structure that determines basic pay and therefore there are no performance or bonus payments paid to employees of the council.

# 3) Remuneration for Town Clerk

A panel of three members of the Staffing Committee are responsible for conducting the Town Clerk's appraisal and making a recommendation as part of that appraisal to the Staffing Committee. The committee will determine any awards to be made to the Town Clerk taking into account the six key criteria under Section 2 of this document.

# 4) Remuneration for All Other Employees

The Town Clerk shall be responsible for submitting a summary assessment of all staff remunerations via the Remuneration Award Matrix and submit such recommendations to the Staffing Committee ahead of the annual budgeting process.

# 5) Termination of Employment (Severance)

## 5.1) Local Government Pension Scheme

Membership of a pension scheme is determined by the relevant conditions of service and is subject to the rules of the specific scheme. The council operates the Local Government Pension Scheme (LGPS) for most employees. For members of the LGPS made redundant on their 55th birthday or later, early access can be gained to their pensionable benefits based on service and salary. Although the LGPS provides for the exercise of discretion that allows for retirement benefits to be enhanced, the council has a policy of not enhancing pension benefits.

The LGPS can also be accessed before normal retirement date for employees who are unable to continue with employment on the grounds of their ill health and who satisfy the conditions for ill-health retirement. An amendment to the LGPS effective from 1st April 2014 allows employees aged

between 55 and 75 to choose to access their pension; however, it is at a reduced rate if taken before normal retirement age. The introduction of Auto Enrolment means that new employees to the council, who meet certain criteria, automatically join the LGPS.

### 5.2) Redundancy Payments

Where an employee is made redundant, severance benefits may be payable subject to the conditions and terms of the redundancy. Where a redundancy payment is made, they are calculated on the basis of 1.5 weeks' gross pay for every complete year of service up to a maximum of 104 weeks. This calculation applies equally across all pay grades.

### 5.3) Re-engagement of former employees

The council's policy is that there is no general restriction on any future re-employment of an employee who has been made redundant or who is in receipt of a Local Government or other public sector pension. In fact, to adopt policies to the contrary could be subject to challenge under equalities legislation. However, re-employment must be on merit and should be unconnected with the redundancy, except where alternative employment is found and pension and redundancy payments are returned in accordance with the relevant legislation.

The council does not approve of redundancy or early retirement due to redundancy and immediate re-employment of staff either as direct employees, via an agency, or on a consultancy basis. If there are any exceptional circumstances that might appear to justify such arrangements, these must be agreed by the Staffing Committee with sufficient justification from the Town Clerk.

## 6) Fairness in Pay

The council recognises the importance of fairness in pay. Pay and reward policies are applied equally to all employees, except where there are good reasons reflecting genuine factors which apply only to certain employee categories. Any consideration of varying the equal application of any policy in relation to pay and employment must be approved by the Staffing Committee.

## 7) Publication of Pay

The council publishes information about pay in accordance with statutory requirements, and the guidance of the Information Commissioner's Office and the Department for Levelling Up, Housing and Communities. Information is published on the council's website in the council's annual accounts.

## 8) Gender Equality

The council is fully committed to equality by ensuring that all pay policies are applied equally to all employees as it is against the law to discriminate against anyone because of their gender.

## 9) Legislative Changes

From time to time as required, the council will amend its policies, procedures and practices to ensure that it complies with its legislative duties and will ensure that employees are advised of the changes.

## 10) Review

The council will continue to review all pay levels to ensure fairness and equity. Any changes will be reflected in an updated pay policy. The policy will be reviewed by the Staffing Committee on an annual basis and submitted to the Policy & Resources Committee for ratification.
