## Witham Town Council: Crime and Disorder Policy

Agenda Item 6(a)

*Witham Town Council has created this policy as it has a duty to consider the impact of its functions and decisions on crime and disorder in its area, under Section 17 of the Crime and Disorder Act 1998.*

*The Town Council is also under a duty to consider the safety of the general public at large and recognises the need for positive action.*

*A crime and disorder impact assessment must be included in all committee and council reports and key decisions, detailing how potential actions may affect local crime and disorder.*

### Engagement

**As part of that process the Town Council will fully engage with the all-applicable bodies to:**

- Reduce and detect crime.
- Reduce anti-social behaviour and fear of crime and re-assure people.
- Strengthen community involvement under Section 5(2) of the Crime and Disorder Act 1998 (the right of town and parish councils to be consulted).

### Partnership Working

**In exercising those functions, the Town Council shall act in co-operation with the following persons and bodies, namely:**

- The local authorities, Braintree District Council and Essex County Council.
- Essex Police.
- The probation service or health authority.
- Every person or body prescribed by order of the Secretary of State under this subsection.

**Regular updates of partnership activity and outcomes will be reported to the Town Council and, where appropriate, the public.**

**In discharging its duties, the Town Council:**

- Extends a permanent invitation to Essex Police to attend monthly Council meetings where questions can be asked and addressed.
- The Town Council CCTV cameras are available to be controlled by Essex Police and footage can be provided when requested.
- Prioritises the quick removal of graffiti, litter and drug paraphernalia from public open spaces within its control (namely James Cooke Wood, the Closed Churchyard, Whetmead Nature Reserve and the River Walk)
- Publishes relevant information on its website, social media, and newsletter when possible.
- Promotes a culture of "Eyes and Ears" to increase collection of intelligence working with community organisations and local resident associations.
- Will continue the funding, promotion and recruitment of Community Special Constables in partnership with Essex Police.
- Will make a budgetary commitment to support Community Safety

The Council will maintain an audit trail for all significant decisions, minuting how crime and disorder responsibilities under Section 17 were considered. Expert advice will be sought on specialist crime issues where needed.

**Outcomes:**

The Town Council aspires to achieving the following outcomes through proactive promotion of this policy:

- Reduced fear of crime & anti-social behaviour with a particular emphasis on older and more vulnerable people and in areas after dark.
- Reducing the overall number of crime and anti-social behaviour incidents.
- A prompt response to all incidents.
- Enhanced ability of Police to target their resources.
- Restoring visible community policing through community special constable presence.

The Town Council will represent the views of its community and ensure that local crime reduction strategies represent those views.

As an integral part of this policy the Town Council will continually review the ways in which it carries out its various functions and duties to ensure the reduction of crime and disorder in Witham.

**Adopted:** Meeting of the Policy and Resources Committee held 26.06.2023

**Reviewed:** Meeting of the Policy and Resources Committee held 16.09.2025

**To be reviewed:** September 2026

## Witham Town Council – Fire Safety Policy

### Policy Overview

This policy has been prepared to help Witham Town Council comply with its legal obligations to staff and visitors under the Regulatory Reform (Fire Safety) Order 2005, the Fire Safety Act 2021, and the Fire Safety (England) Regulations 2022 and **Section 156 of the Building Safety Act 2022**. The Town Council is committed to taking all reasonably practicable steps to ensure the health, safety and welfare of staff, Councillors, service users and other persons who may be affected by its activities. This fire safety policy also forms part of the Town Council's general health and safety policy.

### The Responsible Person

The overall responsibility for fire safety resides with the Town Council. Under the Fire Safety Order, the "Responsible Person" is typically the employer or the person in control of the premises. The Town Council's responsibility for ensuring the implementation of this policy will be managed through the Town Clerk and/or an appointed officer. They will be responsible for ensuring that:

- Current fire regulations are met.
- Appropriate fire safety policies are in place to reduce the risk of an outbreak of fire and to reduce the risk of the spread of fire.
- **Fire safety risk assessments under the Act must now cover internal areas, structure, all external walls (including cladding, balconies and windows),**
- Appropriate means of escape are in place.
- The Town Council's fire risk assessments are carried out by a competent person.
- Matters arising from fire risk assessments are addressed promptly.
- Appropriate records and documentation in respect of fire safety management are maintained.

### Fire Marshals

The Town Clerk will appoint and train an appropriate number of fire marshals who will:

- Assist with the co-ordination of fire safety matters.
- Assist in evacuations.
- Make contact and provide information to the local Fire and Rescue Service.
- **Monitor fire doors, escape routes, and external wall issues as identified in risk assessments**

### Duties of Staff

Each staff member is responsible for maintaining a fire safe environment for all staff and visitors. Staff have an individual responsibility to prevent the outbreak of fire and to ensure they do not place themselves or others at risk of harm. Staff should make themselves aware of the Town Council's fire safety procedures and follow these established procedures for the management of an actual or suspected fire incident. **Staff must promptly report any deficiencies in fire safety systems, including fire doors, alarms, and escape route obstructions, and participate in reviews or drills as required.**

### **Hirers of Town Hall Facilities**

Regular and occasional hirers of the Town Hall are required to comply with the fire safety evacuation procedures provided as part of their booking. Hirers must provide details of their activity and inform the Town Council if they intend to bring any electrical appliance on site. Hirers are responsible for ensuring that they maintain a fire safe environment during their period of hire and must comply with the booking conditions. Occasional hirers are reminded of the fire safety evacuation procedures at the start of their period of hire and copies of the fire safety evacuation are displayed around the premises.

### **Contractors and Other Visitors**

All contractors employed by the Town Council on its premises should be made aware of the fire safety procedures. They have an individual responsibility to prevent the outbreak of fire and to ensure they do not place themselves or others at risk of harm. Staff should ensure that contractors work in a fire safe manner. Staff should brief the evacuation procedures to all visitors who enter the premises beyond the public areas. These visitors should not be left alone unless they are aware of, or familiar with available escape routes.

### **Staff Training**

All staff shall receive a fire safety briefing on their first day at work to include:

- Their responsibilities in respect of fire safety.
- Fire evacuation procedures.
- Specific hazards or fire risks in their working area.

All staff including part time staff, will receive appropriate fire safety training as soon as practicable following the start of their employment with the Town Council. Refresher training will be provided if and when:

- Material changes are made to the premises.
- Staff activities warrant further training.
- A fire risk assessment indicated deficiencies.
- A staff appraisal considers refresher training appropriate.

Staff appointed as Fire Marshalls will receive appropriate additional training as required.

Fire drills will be conducted at least annually, and all staff will receive training on the use of fire extinguishers.

### **Documents and Records**

The Town Council are responsible for keeping appropriate fire safety records for the Town Hall. These will be kept in good order, up to date and available for scrutiny at any time. The records will include:

- The fire safety policy.
- Fire evacuation procedures.
- Copies of fire risk assessments.
- Records of fire training and fire drills.
- Records of annual inspection and testing of firefighting equipment.
- Records of periodic testing of emergency lighting and fire alarms.

- Records of all maintenance to fire detection and alarm systems.
- Records of storage of any hazardous substances.
- Records of any unwanted alarm activations and action taken.
- Plans of the Town Hall and any evacuation routes.

All fire safety documents must be easily accessible to staff and enforcement authorities. A system for regular review and updating of fire safety documentation will be implemented.

### **Maintenance of Fire Safety Systems and Equipment**

The results of all test, maintenance, faults and actions taken in respect of fire safety systems and equipment shall be retained. Items to be maintained include any alarms and detection equipment, fire-fighting equipment, emergency lighting, fire doors and exits and any literature such as fire notices and evacuations procedures.

Regular PAT (Portable Appliance Testing) will be conducted for all electrical equipment, and procedures will be established for reporting and addressing electrical hazards.

### **Fire Risk Assessments**

Written fire risk assessments will be produced by the Town Council for each of its premises by a competent person in line with current guidance. These will be reviewed regularly, not just annually, and particularly when there are significant changes to the premises or activities. Additional reviews will be conducted due to material change or alteration to the building, or if there has been a significant change in the activity carried out on the premises.

Relevant fire safety information will be shared with other responsible persons for the building, if applicable.

### **Procedures**

The Town Council will periodically practice fire evacuation procedures in line with the recommendation of the fire risk assessments. All established escape routes will be kept in working order and free from obstruction and combustible material at all times. Operation of fire doors will be tested in line with the recommendations of the fire risk assessments. Fire-fighting equipment will be provided in line with the recommendation of the fire risk assessments and these will be regularly serviced and maintained by a competent person. Staff are required to report any defective or missing equipment to the Town Clerk.

An appropriate fire alarm and detection system will be provided in the Town Hall. The type and extent of the alarm will be determined by the findings of the fire risk assessments. Alarm systems will be regularly maintained and tested. Maintenance and tests will be recorded in the fire log.

Emergency lighting will be provided for escape routes where applicable. The need for and the extent of emergency lighting will be determined by the findings of the fire risk assessments. Emergency lighting will be regularly maintained and tested. Maintenance and tests will be recorded in the fire log.

All fire resisting doors and partitions will be kept in good order as part of regular maintenance programmes. Staff are required to ensure that any fire door provided remains closed unless it is retained by an automatic release magnet.

Appropriate signs and notices will be displayed, giving clear instructions to staff and others in the event of fire. In addition, signs will be provided to indicate the position of fire extinguishers, fire alarm call points and to indicate the emergency exit routes as determined by the fire risk assessments.

An emergency evacuation plan will be developed and maintained, including procedures for assisting vulnerable individuals during evacuations.

## Witham Town Council: Whistleblowing Policy

*This policy should be read in conjunction with the Staff Handbook and Code of Conduct.*

### Policy Overview

Whistleblowing' is the reporting by employees of suspected misconduct, illegal acts or failure to act within the Council.

Employees are often the first to realise that there may be something seriously wrong within the Council. 'Whistleblowing' is viewed by the Council as a positive act that can make a valuable contribution to the Council's efficiency and long-term success.

This policy is designed to comply with the Public Interest Disclosure Act 1998 (PIDA) and subsequent amendments, as amended (including by the Enterprise and Regulatory Reform Act 2013), and best practice guidance for UK local government.

### Aims of the Policy

The Policy is designed to ensure that anyone can raise concerns about wrongdoing or malpractice within the Council without fear of victimisation, discrimination, disadvantage or dismissal.

It is also intended to encourage and enable the raising of serious concerns within the Council rather than ignoring a problem or trying to deal with it externally.

To qualify for protection, a disclosure must be made with a reasonable belief that it is in the public interest.

This Policy aims to-

- encourage confidence in raising serious concerns at the earliest opportunity and to question and act upon concerns about practice
- provide avenues to raise concerns and receive feedback on any action taken
- ensure that a response is received to those concerns
- provide reassurance of protection from possible reprisals or victimisation if concerns have been raised and disclosures made in good faith and in the public interest.

The Whistleblowing Policy is not intended to replace existing procedures and where appropriate the existing grievance procedure should still be used.

Complaints of misconduct by Town Councillors are dealt with under a separate procedure, copies of which can be obtained from the Town Clerk.

### Applicability

#### Whom Is the Policy Applicable to?

The Policy applies to-

- employees of Witham Town Council
- employees of contractors working for the Council
- voluntary workers within the Council

~~The policy also extends to former employees, job applicants, and agency staff working for the Council.~~ The policy also covers agency workers, former employees, and job applicants (where their concern relates to recruitment at the Council); volunteers are encouraged to use the Council's

procedure, but UK law does not require the Council to protect volunteers under PIDA unless they have a contract.

### **What should be reported?**

The following concerns about service provision or the conduct of officers should be reported if it is believed that they-

- do not comply with Witham Town Council standards
- are not in keeping with any council policies
- fall below established standards of practice
- involve improper behaviour.

These matters can relate to

- conduct which is an offence or a breach of the law (a criminal offence has been committed or failing to comply with any other legal obligation)
- racial, sexual, disability or other discrimination
- **safeguarding of children or vulnerable adults**
- health and safety of the public and/or other employees
- damage to the environment
- unauthorised use of public funds or other assets
- possible fraud and corruption
- other unethical conduct

This list is not exhaustive.

### **Protecting the Whistleblower**

The Public Interest Disclosure Act 1998 protects workers making disclosures about certain matters of concern, when those disclosures are made in accordance with the Act's provisions and in the public interest.

The Act makes it unlawful for the Council to dismiss anyone or allow them to be victimised on the basis that they have made an appropriate lawful disclosure in accordance with the Act.

If a case arises where the employee themselves has participated in the action causing concern it is in that employee's interests to admit to such wrongdoing. The Council may still choose to act against such an employee, but the fact that they came forward may be used in mitigation.

Witham Town Council recognises that the decision to report a concern can be difficult.

The Council will not tolerate any harassment or victimisation of a whistleblower and will take appropriate action to protect anyone that raises a concern in good faith and will treat this as a serious disciplinary offence, which will be dealt with under the disciplinary procedure.

Throughout the process, Witham Town Council will fully support anyone who chooses to raise concerns.

For those who are not Witham Town Council employees, the Council will endeavour to provide appropriate advice and support wherever possible.

All concerns will be treated in confidence and every effort will be made not to reveal the identity of the person making the allegations, although if disciplinary or other proceedings follow the investigation this may not be possible.

Whistleblowers have the right to remain anonymous, and the Council will respect this right unless required by law to disclose the whistleblower's identity.

### **Untrue Allegations**

If an allegation is made in good faith and the individual doing so reasonably believes it to be true, but it is not confirmed by the investigation, there will not be repercussions.

If an allegation is made frivolously, maliciously or for personal gain, appropriate action that could include disciplinary action may be taken **and this is not protected under PIDA.**

### **Raising a Concern**

Concerns should normally be raised with the Town Clerk or Deputy Town Clerk but if under exceptional circumstances the matter concerns both parties the leader of the Council should be approached.

All concerns should be made in writing and include the following information-

- the nature of the concern and why it is believed to be true
- the background and history of the concern (giving relevant dates)

Although it is not expected to prove beyond doubt the truth of the suspicion, the letter will need to demonstrate to the person contacted that there is a genuine concern relating to suspected wrongdoing or malpractice within the Council and there are reasonable grounds for concern.

~~Issues identified in anonymous communications will not be considered.~~ **Anonymous allegations will be considered at the Council's discretion. While anonymity may limit investigation and feedback, anonymous reports will not be automatically disregarded.**

### **What the Council will do**

The Council will respond to concerns as quickly as possible

In order to be fair to all employees, including those who may be wrongly or mistakenly accused, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take.

The investigation may need to be carried out under terms of strict confidentiality, i.e. by not informing the subject of the complaint until it becomes necessary to do so. In certain cases however, such as allegations of ill treatment of others, suspension from work may have to be considered immediately.

Where appropriate, the matters raised may-

- be investigated by management, internal audit, or through the disciplinary/grievance process
- be referred to the police
- be referred to the external auditor
- be referred and put through established child protection/abuse procedures
- form the subject of an independent inquiry

Within ten working days of a concern being raised, the person investigating will respond to the allegations-

- acknowledging that the concern has been received

- indicating how the Council proposes to deal with the matter
- supplying information on staff support mechanisms
- explaining whether investigations will take place and if not, why not

The amount of contact between the whistleblower and the officers considering the issues will depend on the nature of the matters raised, the potential difficulties involved and the clarity of information.

The Council will do what it can to minimise any difficulties that may be experienced because of raising a concern.

To ensure that it is felt that a disclosure has been properly addressed the whistle blower will be kept informed of the progress and outcome of any investigation, unless there are any legal reasons why this cannot be done.

The Council commits to concluding any investigation within a reasonable timeframe, typically within three months of the initial report.

All records of disclosures and investigations will be maintained securely and in line with UK GDPR and Data Protection Act 2018 requirements.

A confidential summary of whistleblowing activity will be reported annually to the Council's Personnel or HR Committee.

#### **How the Matter can be Taken Further**

This Policy is intended to provide an avenue within the Council to raise concerns. If it is not felt that concerns have been dealt with then it is possible to escalate the matter outside of the Council by contacting –

- a trade union representative
- the police
- the monitoring officer at Braintree District Council

Additionally, concerns can be raised with:

- The Health and Safety Executive
- The Environment Agency
- The Information Commissioner's Office
- Protect (formerly Public Concern at Work), the whistleblowing charity

~~A public disclosure to anyone else would result in the loss of protection afforded by the Public Interest Disclosure Act and this policy.~~ Disclosure to other parties (such as the media) may only be legally protected if strict statutory conditions are met, such as a reasonable belief of victimisation or evidence being concealed. Otherwise, protection under PIDA may be lost. A list of prescribed persons is available on GOV.UK.

This Policy does not prevent anyone with a concern from taking their own legal advice.

The Council will regularly review this policy to ensure it remains effective and up-to-date with current legislation and best practices.

## Witham Town Council: All Saints Closed Churchyard Memorial Safety Policy

### Policy Overview

Witham Town Council is committed to maintaining a safe environment within All Saints Closed Churchyard and whilst the memorials are the responsibility of the registered grave owner, WTC have responsibility for ensuring that the site is safe for both staff to work and for the public to visit.

The council's responsibilities are set out in various legislation including the Local Cemeteries Order 1977 (LACO), the Health and Safety at Work Act 1974 (HSWA74), the Management of Health and Safety at Work Regulations 1999 and the Occupiers Liability Act 1957 Section 2 (2) –Common Duty of Care that in all circumstances it is reasonable for any visitors to be safe when using the premises for which they are invited or permitted by the occupier.

This policy sets out the procedures for regular inspection, risk assessment and appropriate action regarding memorial safety in line with legal obligations and best practice issued by the Institute of Cemetery and Crematorium Management (ICCM).

### Inspections

Witham Town Council's Operation's Team will inspect the graves and memorials **every 5 years** to assess their safety, during the months of November and December. The inspections are essential to avoid injury or death of any staff or visitors. All inspections will be carried out by a minimum of two authorised members of the Operations Team, at least one of whom has received suitable training. WTC recognises that testing of memorials is a sensitive issue and therefore before each inspection, a sign will be displayed at each entrance to the graveyard explaining that a routine inspection taking place.

For memorials between 625mm and 1500mm, the inspection will comprise of a visual inspection and a basic hand test, in line with ICCM guidance, to determine if there is movement in the memorial and to what extent.

Each memorial will be assigned to one of three categories

- Category 1 – the memorial is unsafe and poses an immediate danger to the public and therefore requires immediate attention. In this circumstance the Inspector will undertake one of the following temporary fixes to reduce or remove the risk of a memorial causing harm:
  - ❖ Lay the memorial or part thereof flat within the grave space.
  - ❖ Install a stake and banding to prevent the memorial falling. This will be checked weekly to ensure it remains in place.
  - ❖ Securely cordon off the area to prevent the public accessing the memorial.
  - ❖ Dig a hole so that the memorial may be sunk into the ground.
  - ❖ In extreme circumstances and as a last resort, remove the memorial to safe storage.

In each case a safety notice / information notice will be erected on or near the memorial.

- Category 2 – the memorial is not an immediate danger to the public but is not fully stable and will be inspected again in 12 months.

- Category 3 – the memorial is safe and should be inspected again in 5 years.

A photographic record shall be taken of all category 1 and 2 memorials

For memorials over 1500mm tall, the inspection will comprise of a visual inspection and, if there is cause for concern and it is safe to do so, the Inspector will make the memorial safe following the category 1 procedure. If this is not possible, the memorial will be cordoned off and a further inspection will be carried out at the earliest opportunity by a memorial mason, contracted by Witham Town Council. A photographic record will be taken.

### **Recording of Inspections**

A digital record of each inspection will be kept indefinitely detailing the following:

- Grave number
- Name on memorial
- Category
- Date of inspection
- Name of inspector
- Assigned category
- Reason for failure if applicable
- Details of any action taken

### **Informing Grave Owners**

Where a memorial is classified as Category 1, a notice will be installed on or near the memorial for a period of up to 12 months, advising the owner to contact the council. The council will further seek to write to the owner of the grave or their next of kin, where an address is known, to advise them that the grave /memorial has failed an inspection and that immediate action is required. Witham Town Council will take all reasonable steps to contact the appropriate owner.

### **Repairs**

Do it yourself repairs are prohibited. All repairs must be carried out by a qualified and GRAMM (British Register of Accredited Memorial Masons) registered memorial mason or equivalent and must be compliant with the BS8415 standard. A copy of conformity must be registered with Witham Town Council following any works.

In the event of no action being taken by a grave owner within 3 months or the owner of the grave not being contactable after a period of 12 months, Witham Town Council reserve the right to apply a semi-permanent solution to the memorial which may involve laying the memorial flat or sinking the memorial into the ground or other suitable action as deemed appropriate by the Town Council. In the case of the memorial being a war grave, the War Graves Commission will be informed.

Witham Town Council can not be held liable for any damage to a memorial that is caused by factors outside of their control.

## Witham Town Council – IT and Email Policy

### **Policy Overview**

Witham Town Council recognises the importance of effective and secure information technology (IT) and email usage in supporting its business, operations, and communications.

This policy outlines the guidelines and responsibilities for the appropriate use of IT resources and email by council members, employees, volunteers, and contractors.

### **Scope**

This policy applies to all individuals who use Witham Town Council's IT resources, including computers, networks, software, devices, data, and email accounts.

### **Acceptable use of IT resources and email**

Witham Town Council IT resources and email accounts are to be used for official council-related activities and tasks. Limited personal use is permitted, provided it does not interfere with work responsibilities or violate any part of this policy. All users must adhere to ethical standards, respect copyright and intellectual property rights, and avoid accessing inappropriate or offensive content.

### **Device and software usage**

Where possible, authorised devices, software, and applications will be provided by Witham Town Council for work-related tasks.

Unauthorised installation of software on authorised devices, including personal software, is strictly prohibited due to security concerns.

### **Data management and security**

All sensitive and confidential Witham Town council data should be stored and transmitted securely using approved methods. Regular data backups should be performed to prevent data loss, and secure data destruction methods should be used when necessary.

### **Network and internet usage**

Witham Town Council's network and internet connections should be used responsibly and efficiently for official purposes. Downloading and sharing copyrighted material without proper authorisation is prohibited.

### **Email communication**

Email accounts provided by Witham Town Council are for official communication only. Emails should be professional and respectful in tone. Confidential or sensitive information must not be sent via email unless it is encrypted.

Be cautious with attachments and links to avoid phishing and malware. Verify the source before opening any attachments or clicking on links.

### **Password and account security**

Witham Town Council users are responsible for maintaining the security of their accounts and passwords. Passwords should be strong and not shared with others. Regular password changes are encouraged to enhance security.

### **Mobile devices and remote Work**

Mobile devices provided by Witham Town Council should be secured with passcodes and/or biometric authentication. When working remotely, users should adhere to the same security practices as they would in the office.

### **Email monitoring**

Witham Town Council reserves the right to monitor email communications to ensure compliance with this policy and relevant laws. Monitoring will be conducted in accordance with the Data Protection Act and GDPR.

### **Retention and archiving**

Emails should be retained and archived in accordance with legal and regulatory requirements. Regularly review and delete unnecessary emails to maintain an organised inbox.

### **Reporting security incidents**

All suspected security breaches or incidents should be reported immediately to the designated IT point of contact for investigation and resolution. Report any email-related security incidents or breaches to the IT administrator immediately.

### **Training and awareness**

Witham Town Council will provide regular training and resources to educate users about IT security best practices, privacy concerns, and technology updates. All employees and councillors will receive regular training on email security and best practices.

### **Compliance and consequences**

Breach of this IT and Email Policy may result in disciplinary action.

### **Policy review**
