

Witham Town Council: Allotments

Policy Overview

This policy explains the tenancy agreement and responsibilities for maintaining an allotment.

Introduction

The agreement sets out the terms and conditions that apply during a tenancy period when renting an allotment plot.

Management and use of allotment plots

1. The Tenant agrees to use the plot only for the cultivation of fruit, vegetables and flowers for the consumption and enjoyment by the Tenant and family.
2. The Tenant shall not carry out any business at the allotment plot.
3. The Tenant shall not sub-let the plot or hand over to another party to manage. The Town Council must be informed and the tenancy terminated.
4. Overnight stays on the allotment are prohibited.
5. The Tenant must keep the allotment garden tidy, in a good state of cultivation and as free from weeds as possible.
6. The edges of the allocated allotment plot should be kept clear to prevent overgrown vegetation encroaching onto pathways and onto other plots. All pathways should be kept clear and tidy to ensure that the Town Council's Operations Team can carry out cutting and maintenance work without obstructions.
7. The Tenant must keep in decent order all fences and hedges bordering their allotment plot.
8. The Tenant is only permitted to grow dwarf fruit tree species on the plot and these should not be planted near boundary paths. No other trees are permitted to be planted.
9. The Tenant should not cut or prune any trees or take, sell or carry away any mineral/gravel/sand or clay without written consent from the Council.
10. The Tenant should not damage any hedges, fences, gates, notice boards or other structures situated in the allotment site.
11. The Tenant is not permitted to deposit or allow to be deposited any refuse, waste or decaying matter (except reasonable quantities of compost and manure) in the allotment plot or hedges, ditches or other sections of the allotment site.
12. The Tenant is responsible for disposing of any non-compostable waste from their plot and removing it from the allotment site.
13. The Tenant should not cause any nuisance or annoyance to local residents in the vicinity of the allotments nor any other person visiting or working in the allotment site. Tenants are expected to be respectful of their allotment neighbours and each other.
14. Water consumption should be sensible by the Tenant and no alterations or additions are permitted to the water supply apparatus. The installation of water butts on plots is also recommended to encourage water conservation.
15. Any drought orders issued must be adhered to. The Council reserves the right to shut off the water supply and empty the pipes to protect the pipes from frost or for any other reason.

Health and Safety

16. No parking is permitted on allotment plots. Vehicles are permitted onto the site for parking and unloading in the designated car parks. *Rivenhall Park Tenancy* "No parking is permitted on allotment plots. Vehicles must use the designated car parking area only"

17. Gates to the allotment site must be secured at all times. Tenants must close the gates after entering or exiting the site and must lock the gates after exiting if the last to leave.

18. Dogs are permitted on to the allotment site but must be kept under close control and kept on the Tenant's plot. Owners must clear up after their pet and not permit the dog to become a nuisance to others. Any fouling must be removed and disposed of off-site.

19. The use of weed killers, particularly glyphosate-based, is to be discouraged at the allotment site. Tenants are not permitted to use or allow the use of any chemical weed killer which has a residual or long-lasting effect on the soil.

20. Tenants must comply with manufacturer's recommendations and take care to avoid any risk to people, animals and the environment when using chemical weedkillers. They must be stored safely, labelled correctly and used responsibly.

fully extinguished before the Tenant leaves the site.

24. No hazardous chemicals or materials are permitted to be stored on the plot.

25. The Council is not liable for the health and safety of any allotment holder or any persons brought onto the allotment site by an allotment holder. The Council does not insure the Tenant's possessions, crops, equipment or for personal injury to the Tenant or any other persons. The Council is not responsible for any vandalism, damage or loss.

Administration

26. From 22 June 2021, any new Tenant must reside in the Witham Town Council boundaries. If a Tenant moves out of the designated area, this will result in a termination of the tenancy.

27. From 22 June 2021, additional plots will not be allocated to those that already have an allotment plot in Witham and a hold current allotment tenancy with Witham Town Council.

28. On commencement of the tenancy, the Tenant is expected to begin work on the plot. If after three months, the Tenant has not started work, and dug or cultivated at least one third of the plot, the tenancy agreement may be terminated dependent on mitigating circumstances.

29. An allotment key is provided at the start of the tenancy. A £10 deposit is charged for the key which will be refunded when returned at termination.

30. The Tenant should inform the Council immediately of any changes to their contact details or address.

31. The annual rent charge will be due on 1st April each year at the start of the accounting period 1st April to 31st March. The annual rate charge will be notified prior to this date.

32. A deposit of 100% of the annual plot rent due will be charged at the start of the tenancy. This will be refunded at termination following

inspection of the plot and confirmation that it has been left in an acceptable condition.

34. The Tenant must obtain prior written consent from the Council to erect any structure on their plot and must provide details of the size and material of the proposed structure when obtaining permission. The Council does not accept any responsibility for thefts or damage to property left on allotment plots and these should be reported to the Police. The Tenant shall remove any structures at the end of the tenancy agreement, unless the Council agrees otherwise.

35. All Tenants will be informed if there are any changes to the allotment site in regards to maintenance works, changes to codes or keys for the site.

36. At the end of this agreement, the Tenant shall hand back the allotment plot in a reasonably clean and tidy condition, failure to do so may result in the Council not refunding the plot deposit and an additional charge may be made to the Tenant to cover any additional clearance costs.

37. The Tenant shall keep the Council indemnified against all claims (including costs and expenses in connection with claims) against the Council from:

- any breach of the Tenant's obligations contained in this agreement

- any act of neglect or default by the Tenant or any person on the plot with the actual or implied authority of the Tenant.

Inspections

38. Inspections shall be carried out periodically by Council Officers of allotment plots to ascertain whether the terms and conditions of the tenancy agreement are being met. The Tenant shall not in any way impede the Council

in exercising its rights of possession and control over the plot and shall enable Council Officers to enter and inspect the plot at any time.

39. If the plot is deemed to be untidy the Tenant shall receive a letter requesting that the plot is cut back and tidied before the next inspection, evidence of the condition of the plot will be supplied in the letter.

40. If the plot is deemed to not be cultivated or used correctly, the Tenant shall receive a warning letter advising them there will be a re-inspection of the plot after a set period to review the condition, evidence of the condition of the plot will be supplied in the letter.

41. Following the warning letter, if the plot is still not being used for its intended purpose and is overgrown with no evidence of cultivation, then the Tenant will be issued with a 30 calendar days' notice.

42. After the 30 days' notice, the plot will be reviewed by a Council Officer. Following the review, if it appears to the Council that no cultivation work has been carried out, there has been no contact from the Tenant and there are no mitigating circumstances, the Council will serve notice to terminate the tenancy agreement with immediate effect.

43. Tenants that have concerns regarding the management of their plot, are encouraged to contact the Council to discuss suitable options to assist the Tenant, for example halving the plot to make it more manageable may be possible.

Termination of tenancy agreement

44. The termination of the allotment tenancy agreement may occur in the follow ways –

- The tenant can request termination in writing or by email to Witham Town Council informing the Council of their details and when they wish to end their agreement.

- On receipt of notice from the Council if there has been a breach of any terms and conditions of the agreement other than rent, the agreement will be terminated immediately.
- On the Council giving six months' notice.

- On moving out of the Witham Town Council boundary. Allotment holders who took up their tenancy prior to 22nd June 2021 and who moved prior to 1st April 2025, are welcome to remain subject to adhering to the other tenancy policies.

45. On termination, the Tenant will receive a termination letter informing the Tenant that they have 7 days to remove all personal belongings from the plot and ensure that it is left in a clean and tidy condition. If the condition is not deemed acceptable, the deposit held will not be refunded and an additional charge may be made to the Tenant to cover any additional clearance costs.

46. On termination, the Tenant will be required to return the site key to the Council. The

deposit of £10 will be held until return of the key to the Council.

47. If the full annual rent has been paid, a refund for the remaining months of their tenancy will be paid.

48. The plot will then be offered to the next available applicant on the waiting list.
